Notice for Students of VMOU

India has more youth than ever before, yet **only about half of our graduates are considered industry-ready**. This employability gap often prevents talented students from achieving the careers they truly deserve.

To help bridge this gap, TCS have introduced **TCS iON Talent Connect** — a **free, national-level platform** aimed at making every student **job-ready** and **visible to over 3000 hiring companies** across India. Through Talent Connect, students receive access to TCS's flagship **free employability program — the TCS iON Job Primer**, which equips them with essential workplace-readiness skills demanded by today's industries.

Additionally, our University will receive a **co-branded, customized Talent Connect page**, serving as your dedicated gateway to:

- Job opportunities
- Skill development programs
- Jobinars and webinars
- Direct interactions with industry partners

This platform also helps showcase students' talent to recruiters at both **local and national** levels.

In summary, TCS iON Talent Connect delivers three high-impact benefits:

- ✓ **Makes students industry-ready** through high-quality, free learning
- ✓ **Provides visibility** to hiring companies across multiple sectors
- ✓ **Strengthens your institution's industry connect** with zero operational effort

With **zero cost**, strong industry engagement, and the trusted brand of **TCS**, this initiative can significantly enhance our placement outcomes and create meaningful opportunities for your students. Link - **https://www.tcsion.com/hub/talent-connect/**
