Multidisciplinary International Conference on

Digital India and Indigenous Knowledge for Viksit Bharat@2047: Transforming Commerce in the Digital Economy

17th-18th DECEMBER 2026
(Hybrid Mode)

Organised by

Vardhman Mahaveer Open University, Kota

in collaboration with

Academic Association of Commerce and Management, Udaipur

ABOUT THE CONFERENCE

India stands at a transformative juncture where digital technologies, indigenous knowledge systems, entrepreneurship and inclusive economic development are converging to shape the pathway towards Viksit Bharat@2047. The rapid expansion of Digital India has fundamentally changed the landscape of commerce by enabling digital payments, e-commerce, FinTech, artificial intelligence, blockchain, data-driven business models and technology-enabled financial inclusion. These developments are creating new opportunities for businesses, consumers, entrepreneurs and communities across urban and rural India. At the same time, India possesses a rich and diverse reservoir of indigenous knowledge, traditional skills, local enterprises, crafts, agricultural practices, wellness traditions, and community-based economic systems. Integrating this knowledge with contemporary digital platforms can create innovative and sustainable models of commerce while preserving cultural heritage and strengthening local livelihoods. The conference aims to provide a multidisciplinary platform for discussing various domains in line with digital commerce, indigenous entrepreneurship, digital financial inclusion, AI-enabled business, cybersecurity, data governance, sustainable commerce, rural transformation, and technology-driven MSME development.

THEMES

- Digital public infrastructure (DPI) and Next-Gen E-commerce
- Integrating indigenous knowledge systems into modern commerce
- Frontier technologies driving Viksit Bharat@2047
- Inclusive entrepreneurship and livelihood transformation
- Policy, cyber security and sovereign tech governance
- Digitalizing sustainable agriculture and agritech ecosystems
- Heritage tourism, cultural economy and the digital canvas
- FinTech evolution, financial inclusion and alternative assets
- Next-generation supply chains and circular e-commerce
- Human capital, future of work, digital literacy and any contemporary topics
- Environmental sustainability in ancient Indian wisdom
- Yoga, Ayurveda and holistic well-being
- Gandhian thoughts for developing India

ABOUT VMOU, KOTA

Established in 1987, Vardhman Mahaveer Open University (VMOU), Kota, is India's third oldest open university and a pioneer in flexible higher education. Recognized by the UGC, DEB, AIU, and NCTE, VMOU holds a prestigious NAAC 'A' Grade accreditation. At the forefront of academic transformation, the university has fully implemented the National Education Policy (NEP 2020) framework, offering multidisciplinary undergraduate, postgraduate, diploma, and certificate programs. Driven by an extensive network of regional centers and modern digital LMS infrastructure, VMOU remains dedicated to democratizing quality education, fostering skill development, and encouraging lifelong learning. We extend a warm welcome to all conference delegates and scholars.
